Sept. 18, 2000

TO: TORONTO COMMUNITY COUNCIL  
RE: WYCHWOOD CARBARNS SITE

37(c)

Our organization supports the 100% park option for the Christie Street site.

Now is the only time to create a park for the future. Green space makes Toronto liveable & ultimately, healthy. Please give our under-parked neighbour hood this green space for our children and future generations.

Audrey Fox, Chair  
BHR
